NOTICE OF DEFICIENCY

RE: RCRA Part A and Part B Revisions
Hydrocarbon Recyclers, Inc. of Wichita
Wichita, KS
EPA I.D. Number KSD007246846

Dear Mr. Robertson:

In a comment letter of April 23, 1997, the Kansas Department of Health and Environment (KDHE) requested HRI to submit corrected Part A and Part B revisions by May 8, 1997, in association with HRI's Class 1 modification requests of October 7, 1996, and January 14, 1997. Our records indicate that HRI has not submitted the requested revisions, therefore, the above modification requests continue to be outstanding and incomplete.

KDHE requests HRI to submit the appropriate responses by May 19, 1997, to our comments listed in the April 23, 1997, letter. HRI's cooperation with KDHE is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Cox".
